PERFORMANCE DETAILS

Kinky's latest act is approximately 75-90 minutes. This provocative, "funny as hell", and inspiring solo performance includes singing (with guitar), some comedy, readings from his books, and storytelling. Variations can be expected - and Kinky is happy to tailor each show to fit specific events. "Kinky Merchandise" (books, CDs, T-shirts, Tequila, etc.) will be available for purchase at each show. Kinky will sign anything, but bad legislation.
